

ADD A RUBRIC TO A BLOG

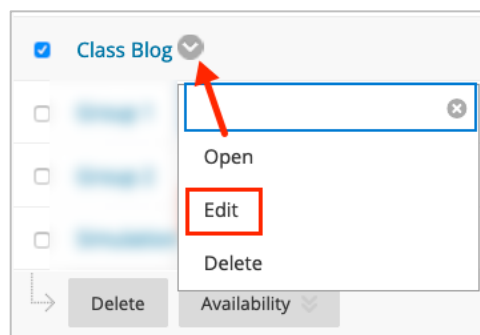

Follow these steps to associate/add a rubric you have [already created in ulearn](#) to a blog. You will need to repeat these steps for every blog you need to add a rubric to.

Instructions

1. From the **Course Tools** menu select **Blogs**.

2. Navigate to the **down arrow** for the blog you wish to add the rubric to and select **Edit**.

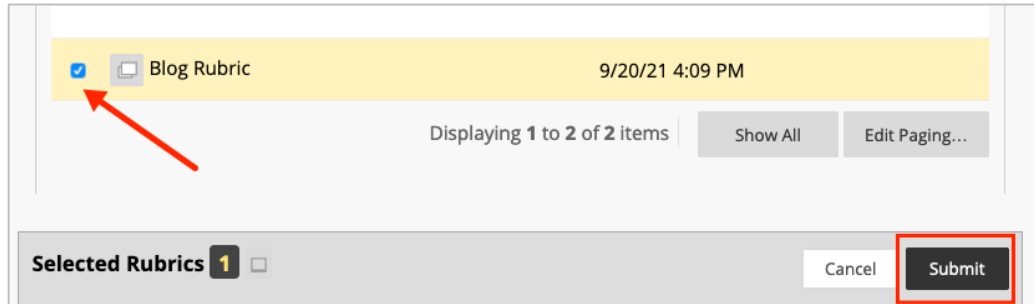

3. From the Add Rubric menu, click **Select Rubric**.

4. Put a **check in the box** for the blog rubric you wish to select. When done click **Submit**.

ADD A RUBRIC TO A BLOG

5. Change the default from No to **Yes (With Rubric Scores)** from the Show Rubric to Students heading.

6. Click **Submit** when done.
