

RESPONDUS: RETRIEVE ULEARN TEST

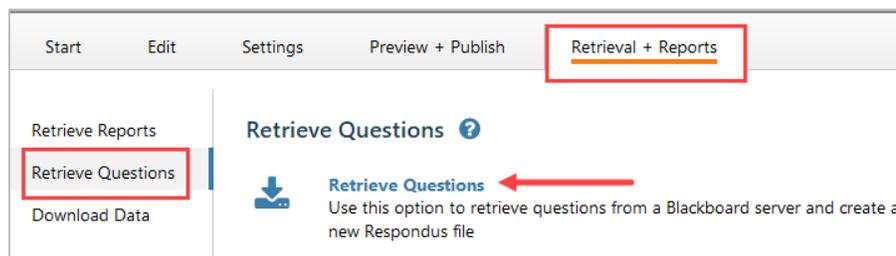

Instructors can retrieve a test published in ulearn for a variety of reasons – to print a hard copy or to make edits in Respondus and republish to ulearn.

Instructions

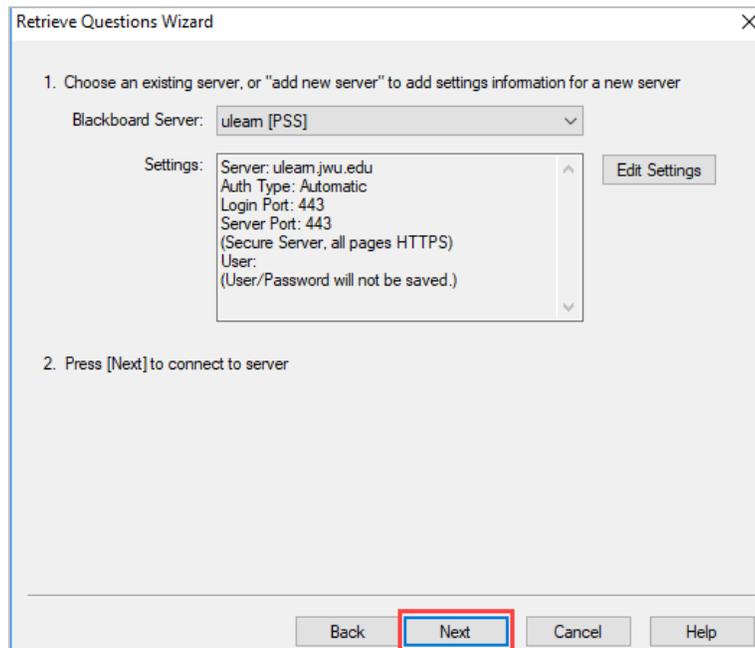

1. Locate and open Respondus on your computer and click on the **Retrieval & Reports** tab.

2. Select **Retrieve Questions** from the left menu and then select the **Retrieve Questions Wizard** button.

3. From the Blackboard Server drop down menu, select the ulearn server connection. Click **Next**.

Note:

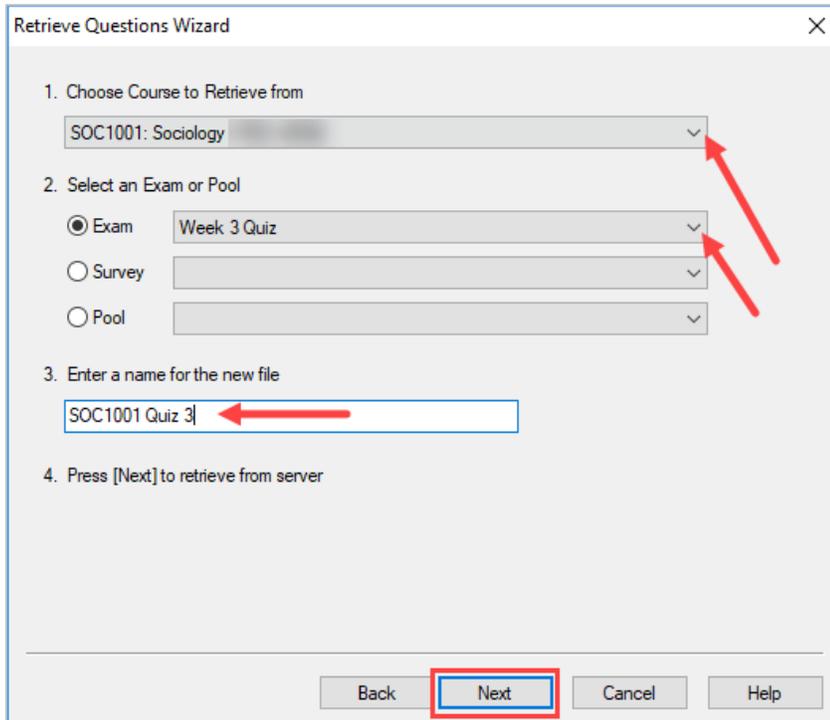

The connection between Respondus and ulearn has already been configured in these instructions. To delete a connection, click **Edit Settings** and **Delete**. Then select **Add New Server** from the drop down menu to add a new connection.

4. If prompted to enter your credentials, enter your user name and password.

The screenshot shows a dialog box titled "Enter login information" with a close button (X) in the top right corner. The text inside reads: "Because the 'remember my user name' box was not checked, you must type in your user name and password each time." Below this text are two input fields: "User name" and "Password". The "User name" field contains a blurred text. The "Password" field contains ten black dots. To the right of the input fields are two buttons: "OK" and "Cancel". The "OK" button is highlighted with a red rectangular box.

5. Select the **course** from the Exam drop down menu. Then select the **exam**. Finally, enter a **new name** for the file. Click **next** to proceed.

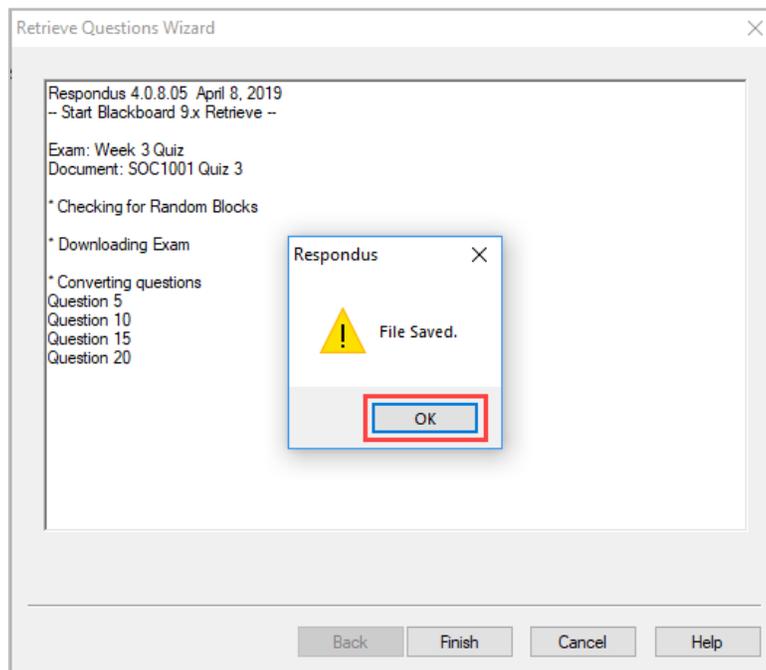

The screenshot shows a "Retrieve Questions Wizard" dialog box with a close button (X) in the top right corner. It contains four steps:

1. Choose Course to Retrieve from: A dropdown menu showing "SOC1001: Sociology".
2. Select an Exam or Pool: Three radio buttons are present: "Exam" (selected), "Survey", and "Pool". Each radio button is followed by a dropdown menu. The "Exam" dropdown shows "Week 3 Quiz".
3. Enter a name for the new file: A text input field containing "SOC1001 Quiz 3".
4. Press [Next] to retrieve from server.

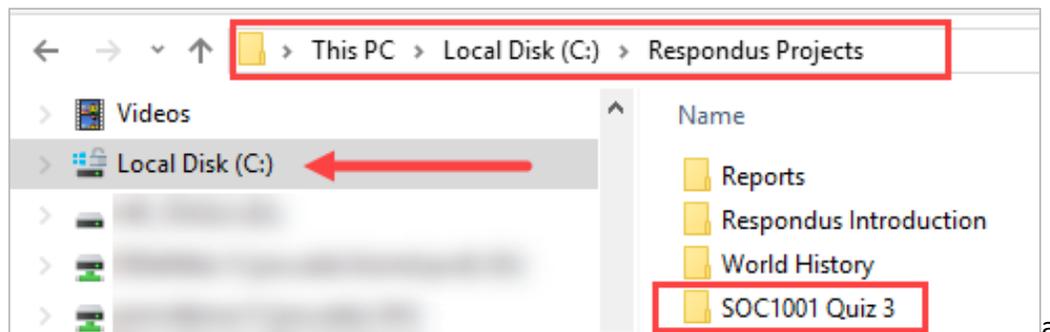

At the bottom of the dialog box are four buttons: "Back", "Next", "Cancel", and "Help". The "Next" button is highlighted with a red rectangular box. Red arrows point to the dropdown menus in step 1 and step 2, and to the text input field in step 3.
