

MAKE COURSE AVAILABLE

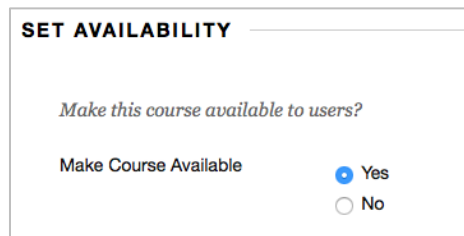

Courses are not available by default to students and must be made available by the instructor.

Instructions

1. Go to the left-hand menu of the course site and click **Customization** to expand the menu and click **properties**.

2. Under Set Availability, select **Yes**.

A screenshot of a form titled "SET AVAILABILITY". The question is "Make this course available to users?". Below the question, there are two radio buttons: "Yes" (which is selected) and "No".

3. Click **Submit** to save your changes.
