

CREATE A WIKI

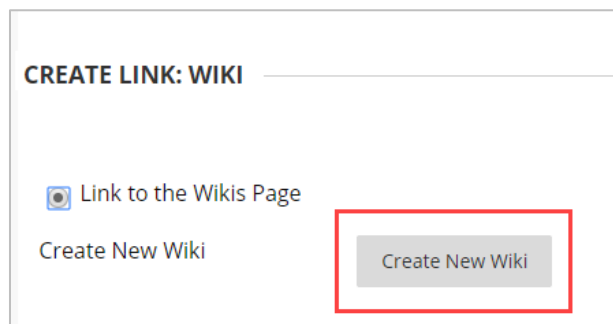

Instructors can create a wiki in their ulearn course. Students can use this tool to collaboratively create, edit, and share knowledge.

Instructions

1. Navigate to the content area or folder in your course where you want to add a wiki. From the **Add Collaboration Tool** menu, select **Wikis**.

2. On the **Create Link: Wiki** page, the link can navigate to a previously created Wiki or create a new one. Click the **Create New Wiki** button to create a new Wiki.

3. On the new wiki information page, enter a **Name**. Type the **Instructions** for the wiki assignment in the **Text Editor**.
