

TAKE A TEST/QUIZ IN ULEARN

Many courses use online tests or quizzes to measure learning. When a quiz or test is included in your course, make sure you note the due date/time, the time allowed for you to complete the quiz or test, and any special instructions provided by the instructor.

Instructions

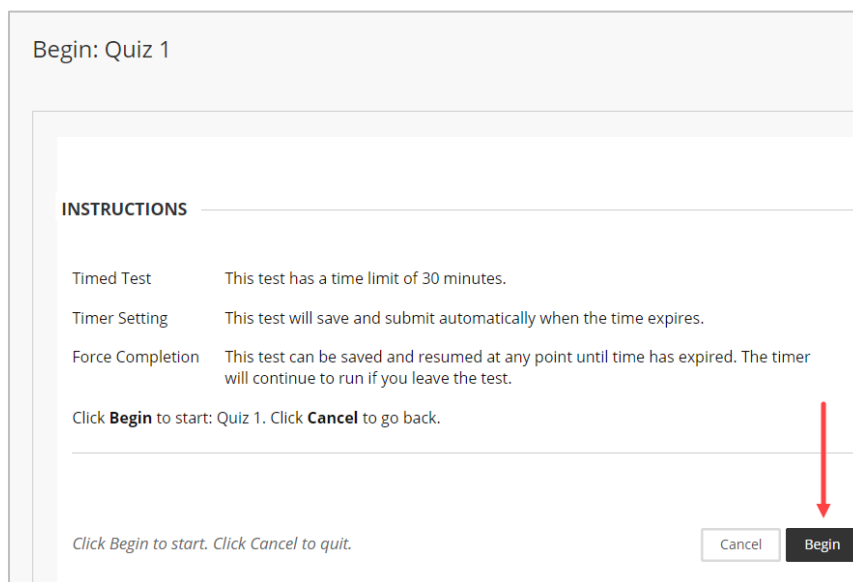

1. From the main menu on the left side of the course site, navigate to the appropriate area, as identified by your instructor.

2. Click on the name of the quiz or test you are taking.

3. Click **Begin** to start.

4. Test Information is at the top of the page. Read them carefully, making note of any instructions, how much time you have to complete the exam, if you are allowed multiple attempts, or if you will be forced to complete the test in one sitting.

Test Information

Description This quiz is Due Friday by 11:59 PM. You will have one attempt and 30 minutes to complete the 10 multiple-choice questions.

Instructions

Timed Test This test has a time limit of 30 minutes. This test will save and submit automatically when the time expires.
Warnings appear when **half the time, 5 minutes, 1 minute, and 30 seconds** remain.

Multiple Attempts Not allowed. This test can only be taken once.

Force Completion This test can be saved and resumed at any point until time has expired. The timer will continue run if you leave the test.

5. If your exam is timed, a timer appears below the instructions to tell you how much time has passed.

Remaining Time: 28 minutes, 53 seconds.

Question Completion Status:

1 2 3 4 5

You will receive a warning when there are five minutes, one minute, and 30 seconds left to complete the exam.

6. Some questions may require multiple answers or allow you to choose more than one answers.
