ASSIGNMENT MULTIPLE ATTEMPTS

It's a good practice to allow for more than one attempt when <u>creating assignments</u> in ulearn. If students send the wrong files or need to send multiple files to an assignment, allowing for multiple or unlimited attempts makes it easier.

Instructions

1. Navigate to the <u>content area</u> or folder where you want to edit the assignment and add multiple attempts.

2. Scroll down the page to the **Submission Details** and click the link.

3. Select Multiple Attempts or Unlimited Attempts.

Multiple Attempts:

- Enter **2 or 3** attempts in the Maximum Attempts box
- Score attempts using: Select Last Graded Attempt
