INCLUDE A LINK IN DISCUSSION POST

For some discussion posts, you may want to include a link to an article or website. Follow the steps below to include a link to a resource outside of ulearn.

## Instructions

- 1. Select **Create Thread** to start a new thread or **Reply** to respond to an existing post.
- 2. Type the discussion entry in the message box. Highlight the text you want to become a link by left-clicking on your mouse and dragging over the text.
