## GRADE COLLABORATION TOOL WITH RUBRIC

In ulearn, once a rubric created in ulearn has been attached to a journal, discussion, blog, etc., you can easily grade with it and the grade will automatically save in the grade center.

## Instructions

1. In the grade center, locate the cell for the student you wish the grade (the cell must have a needs grading icon - !) Select **Grade Activity** from the menu.

2. Click the name of the rubric.

3. Select the criteria as needed based on the rubric. Click **Show Descriptions** box to show descriptions for each level of achievement. Click **Show Feedback** to leave feedback about that particular criteria.
