

IMPORT LETTER GRADES TO JWULINK

JWU final letter grades can be imported from ulearn into jwuLink.

Instructions

Note:

For courses with multiple instructors, only the primary instructor can import grades.

1. In the Course Management area of the course menu, click on **Grade Center**. A drop down menu appears. Click on **Full Grade Center**.

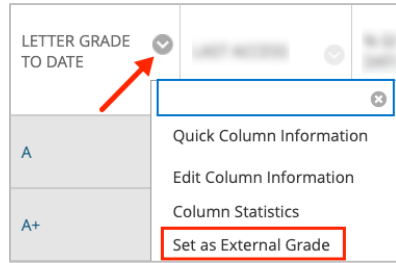

2. In the Grade Center, locate the column with **final letter grades**. This column must have letter grades and not number grades. Ensure that the grades are correct and are ready for submitting.

3. If there is not already a green checkmark at the top of the column, click on the column's down arrow. Select **Set as [External Grade](#)**.

4. A green check mark appears at the top of the selected column indicating it has been set as an external grade.

Note:

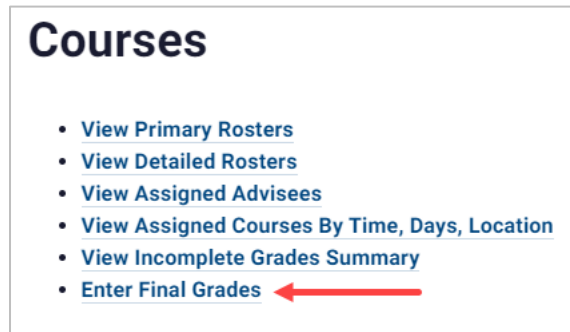

Only one column can be flagged as an **External Grade** column. To select a different column as the External Grade column, identify the correct column and proceed back to step 3 in this user guide.

5. Login to jwuLink: <https://link.jwu.edu>
6. Under the Shortcuts heading on the left, click on **Rosters, Grading, & Advising**.

Warning:

After importing, check for any grades that show "None". A grade field will display "None" if:

*The grade requires a **last date of attendance** (F, I, W, U).

Grade	Rolled	Last Attend Date MM/DD/YYYY
F	N	10/31/2021

*Grades in ulearn are not valid letter grade (for example, in ulearn you assigned a minus grade for an undergraduate course or selected a column with numeric grades).

*If you need to fix a grade, you must first make your changes in jwuLink and then go back to ulearn and fix it in the Grade Center as well.

Warning:

Grades will not be pulled from ulearn for any student that already has an existing grade in jwuLink. If you need to change a grade that is already in jwuLink, and the grade has not yet rolled, you must manually change it in both jwuLink and ulearn.
